

## Playtime Academy Jr.

**What:** Playtime Academy Jr. is a fun and engaging group for children aged 3-7 who require additional support in developing beginner social skills and peer interaction within a group setting. Throughout the group your child will participate in activities that will enhance early social skills such as, communication, turn taking and sharing, attending, following group routines and early play skills. Each week your child will learn about various social skills through, modeling, structured activities, and group games.
