

Social Explorers

Social Explorers introduces Superflex[®] and the Team of Unthinkables[®] to teach youth who struggle with social situations and how to navigate and gain control of their emotions.

This 10-week program is designed for youth ages 8-12 who need help:

- Exploring social expectations;
- Becoming more aware of their own behaviour; and
- Learning how to adapt their behaviour.

Does your child...

- Always talk about their own interests?
- Get upset if they lose a game?
- Become easily distracted?

This program can help!
