Swimming Lessons

Firefly Therapy Services swimming program provides an opportunity for children to learn important basic swimming skills in a safe and supportive environment. Our accessible pool is a welcoming place to practice and grow confident in new abilities. The instructors are patient, knowledgeable, and have experience working with a wide range of needs.

This program was designed as an alternative to swimming lessons in a traditional setting. It is intended to be sensory-friendly and individualized. We use a wide range of strategies to develop skills in a positive, fun setting.

If you are interested in registering for swimming lessons please visit our website at Fireflytherapy.ca

Goals:

The goals/skills that may be targeted include (but are not limited to):

Who will benefit?

- Children who require extra support with their swimming skills, or who are having difficulties in traditional swimming lesson settings.
- Children who are able to attend and engage in an activity for 5-10 minutes without redirection.
- Children who do not exhibit disruptive/aggressive behaviour.

We recognize that children at this swim level may have slightly different abilities—the low ratio will enable the instructor to modify and individualize goals so that each child benefits from this group.

(*Call or visit our website for more information about our speech-language services).
