

SEMI-INDEPENDENT FAMILYHOME OPPORTUNITY

Do you have a basement apartment, or an extra room in your home that could serve as a semi-independent living space for a young woman in our community?

We're looking for a person, roommate or family to welcome a young woman to come live in your home. This shared living relationship would offer her some independent space, while also enjoying the benefits of living as a member of a household.

SHE WOULD BENEFIT FROM SUPPORT WITH:

- Daily Meals - she can make her own breakfast and lunch, and would enjoy eating together for supper
- Budgeting - managing her spending money
- Emotional Support - talking and caring for her throughout the normal highs and lows of life

WITH THIS OPPORTUNITY, YOU WOULD RECEIVE:

- Monthly Room & Board payment
- A financial per diem from Extend-A-Family Waterloo Region for your support in hosting her in your home
- Ongoing support from a FamilyHome Coordinator and EAFWR to help promote a successful living relationship together
