**We are seeking individuals to fill Director positions  
in our active and engaged board.**

**We focus on strategic direction, community needs and  
financial sustainability at the governance level.**

Meetings are monthly with the opportunity to further participate on committees and ad hoc workgroups.

We strive for diversity in gender, age, ethnicity and experience. We value lived expertise and welcome all applications.

**If you think serving on WRFN's Board of Directors is  
how you would like to contribute to our community,  
we want to get to know you!**

Our application process involves you sharing some information with us; us sharing some information with you; a conversation with a Board Member and Executive Director. We will provide accommodations to this process as requested.
