

# RESEARCH PARTICIPANTS NEEDED

## Purpose

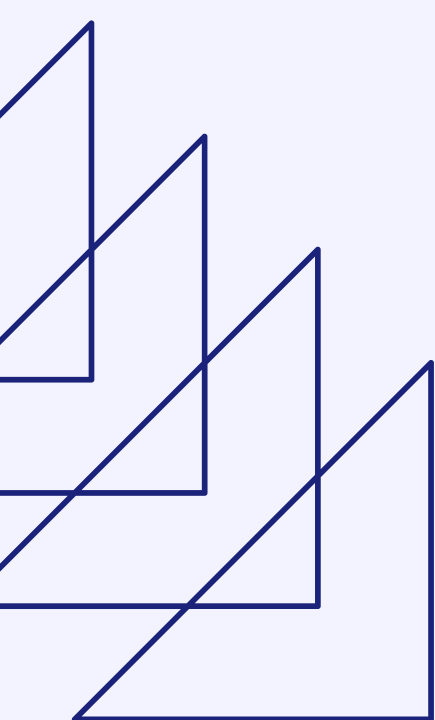

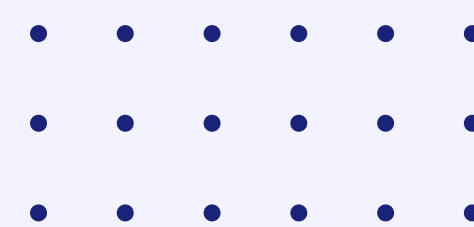

To examine the lived experiences of parents with children with developmental disabilities navigating the school system

## Who

- Parent/caregiver of a child with a developmental disability
- Using the public school system in Ontario

## Details

Participants will complete a background questionnaire (5-10 minutes) and a one-on-one semi-structured interview (30-90 minutes). Participants will also be able to add, remove or clarify any information shared during the interview by reviewing the transcript.
