

Parents/Caregivers of Preschoolers

(Children ages 3-5)

Are You Interested In Research with Picture Books?

We are a research team with Dr. Gottardo and Dr. Wood from Laurier University

Katie Reid (PhD candidate, Developmental Psychology)
Zoey Forte, Whitney Lockstein, Karen Zaki, Carlye Brokl, Gloria Mele, Travis Newman, Grace Van Hooydonk, Maren Scullion, Victor Pan (Research Assistants)

Laurier Research Ethics Board
(REB #8508)

Study Information

Over 14-weeks: Attend 5 in-person meetings with our researchers (includes fun literacy games and activities, ~1 hour per meeting).

At home, you will read picture books that we give you with your child and complete a brief diary entry each week for 9 weeks.

Compensation

Parent/caregiver will receive a \$15 pre-paid VISA gift card after each in-person meeting (total of \$75). Bus ticket vouchers will be offered for in-person meetings.

Parent/caregiver and children can keep all at-home materials (short picture books, book mark, information on shared reading strategies)
